NOTES: [1] The Monitor assesses each paragraph's various components of compliance (policy, training, implementation, audit) separately. However, if the Department is in non-compliance with any of these components for a given paragraph, then the Department is in overall non-compliance with that paragraph. This Report Card reflects only the overall compliance rating.

[2] For those paragraphs that require specific audits, the next expected evaluation shown is the quarter in which the next scheduled audit is due and/or is expected to be evaluated (based on the date the audit is expected to be submitted).
